Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI A.K.MOORTHY)

(a): Some complaints regarding misbehaviour of the parking lot contractors at stations with the users are received.

(b): The complaints are investigated and apart from the fines imposed, the parking contractors are counselled to be courteous while dealing with passengers.

(c): Yes, Sir.

(d)&(e): There are two car parking stands on Ajmeri Gate side at New Delhi Railway station, i.e.,(i) general car parking and (ii) Drive lane parking. The parking charges are higher at Drive lane parking near platform No.12 because of added advantage of alighting near the platform and also to avoid congestion.
